SUMMARY

I am Praveen Jaganathan, a 22-year-old with a strong passion for mathematics and coding. I recently graduated with a Bachelor's degree in Computer Science and Engineering. My experience includes writing and debugging code in various programming languages, and I collaborated on a team project to develop a web-based application. I am eager to apply my skills in a challenging environment.

EXPERIENCE

- Developed interactive front-end designs using HTML and CSS during coursework.
- Simulated team-based coding scenarios to practice collaborative software development.
- Hands-on experience in writing and debugging code in C, C++, Java, and python
- Collaborated on a team project to build a web-based application using HTML, CSS, JavaScript, and JSON.
- Solved logical puzzles and coding challenges, enhancing algorithm design skills.

EDUCATION

Bachelor of Engineering (B.E.)

Mahendra College of Engineering, Salem Campus

📅 08/2019 05/2023 📍 Salem

Higher Secondary Education

St. Antony's Higher Secondary School

📅 01/2015 05/2019

LANGUAGES

English

Proficient

Tamil

Proficient

STRENGTHS

Personal Skills

Strong logical thinking, puzzle solving abilities, attentive and versatile in different situations, good communication skills, and capable of multi-tasking.

SKILLS

Python	Debugging	Django	
EXCEL	Front-end	HTML	Java
Javascript	JQuery	Json	
ms office	my sql	powerpoint	
Python	SQL		

TRAINING / COURSES

Programming Course CASE

Programming course of computer advance software education .

PASSIONS

& Mathematics & Coding Enthusiast

Strong passion and interest for mathematics and coding.
